Dear Bob:

It is my pleasure to inform you that as a recipient of the Lou Cosenza Award in 1985, you were selected by the faculty as the student with the most potential in teaching. Specifically, the award reads to the graduating student who "exemplifies exemplar characteristics of the love for teaching and children."

This award, along with the Anderson Award for scholarship are the highest awards given to students by the Department.

Sincerely,

Ronald S. Feingold, Ph.D.  
Chairman
